OTTAWA, March 22.

The return of Greenway has been the great topic of conversation to-day. All are anxious to know what it means.

There are various rumors as to the compensation given to the C. P. R., but nothing definite is known yet. When the details are settled it will be found to bear lightly on the country. Five and eight million dollars are said to be the amounts given. It has even got up to nineteen millions, but whatever the amount is it will be expended on the road.

There was quite an excitement in the House to-day when Mr. Skinner, Liberal, boldly declared himself against unrestricted reciprocity. He was returned by a grit constituency and his support was not counted on by the Government.

Ottawa, March 23.—Greenway and Martin arrived to-day and had an interview with the Government. A number of details remain yet to be arranged. The main question is, however, as given out on Wednesday, practically settled, and unless some unforeseen difficulties arise no doubt is felt as regards its confirmation.

A Bill was read in the house by Percy to amend the Wood Mountain & Qu'Appelle Valley Railway Co. charter.

Toronto, March 24.—A terrible railway accident occurred three miles north of the Severn bridge on the Northern railway to-day. Six men were killed.

Ottawa, March 28.—Greenway is confident that railway matters will be speedily settled, but says there is nothing new regarding the situation. He expects to leave for home to-morrow.

It is stated that Vancouver offered to sell the Emerson branch for \$1,000,000, but Greenway thought this too high.

In the House yesterday Sir John introduced a Bill to change the form of government in the Northwest.

The delegates from Prince Albert, Calgary and Qu'Appelle are about ready with their business here. The Calgary delegation were promised \$20,000 for a new court house.

It is reported the Hon. John Carling will be appointed Lieut. Governor of Manitoba.

In the House to-day the debate on unrestricted reciprocity was continued; Peter Mitchell kept on speaking.

The Act to amend the M. & N. W. railway charter received its second reading.

Rome, March 27.—The despatch to-day says the Abyssinians have concentrated their forces at Jangus. The Italian output being almost within gun shot of the enemy. A battle is imminent but the Italians will not force the fight. Fifteen thousand troops are at Naples in readiness for Abyssinia.

Montreal, March 29.—Detective Foley is stricken down with fever, as a result of his trial, and is not expected to live.

The latest despatches from Berlin say the Emperor is improving and is able to eat solid food with ease.

A party of highly respectable Scotch farmers left Glasgow for the Commercial Company's colony at Langenburg, N. W. Territory.

The monopoly clause of the C. P. R. charter is to be actively resisted. The amount of compensation to be paid the C. P. R. is not definitely settled, but the latest report is that the Government will take back seven millions of acres of land leased at \$1.50 per acre.

It is intended to make it thoroughly reliable as a source of reference for business men and others.

Advertisements will be inserted at the rate of 60 cents per line, or 10 cents per page. The insertion price to advertisers will be fifty cents per copy; to those not advertising 60 cents.

Orders for copies of Directory may be directed to Ed. J. Carr or E. N. Campbell, Stationers, Prince Albert.
